

Science-Industry-Symposium

NanoVision 2020

Sense of Materials:

Bioelectronics

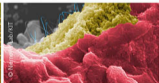

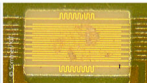

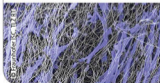

Functional Surfaces

Smart Nanomedicine

Virtual Symposium

// Nov 12th, 2020 in the afternoon and

// Nov 13th, 2020 in the morning

Sense of Materials:

Bioelectronics

Functional Surfaces

Smart Nanomedicine

For the program and for details on how to join the virtual symposium, please visit:

KIT Materials Center
